1 Parties

This Client Service Agreement (the "Agreement") is between [Sunday Harmony legal entity name], doing business as Sunday Harmony Consulting, [address], sales@sundayharmony.com ("Sunday Harmony," "we," "us"), and [Client legal business name], [client address], represented by [client contact name and title] ("Client," "you"). Together, the "Parties."

2 Scope of services

We will provide the marketing services for the package(s) checked below, as further described in the proposal dated [date] (the "Proposal"), which is part of this Agreement. If the Proposal and this Agreement conflict, this Agreement controls.

Monthly allowances (posts, graphics, website hours) do not roll over unless we agree in writing. Work outside the scope above requires a written change order or new quote before we begin.

3 Deliverables

Deliverables are the items listed for the selected package(s) and in the Proposal. We will deliver final files in standard formats (for example, AI/EPS/SVG, PDF, and PNG for brand assets; live website and admin access for websites). Target dates are in the Proposal's timeline and depend on timely Client feedback and materials.

4 Client responsibilities

You agree to:

- Provide accurate information, content, photos, logins, and approvals within [3] business days of a request, or as agreed;
- Name one point of contact with authority to give feedback and approve work;
- Confirm you own or have the right to use any materials you give us (logos, photos, text, trademarks);
- Review work for accuracy, including prices, contact details, claims, and legal or licensing statements, before approving it; and
- Pay invoices and third-party costs on time.

Delays in Client materials or approvals may move timelines; we will tell you when that happens.

5 Fees and payment

- **One-time projects** (Business Essentials, Business Launch): a non-refundable deposit of [50] % is due before work begins. The balance is due [at the milestones listed in the Proposal / on delivery of final files] .
- **Custom Solutions:** payable by milestone as set out in the Proposal or quote.
- **Monthly retainer** (Marketing Partner): billed in advance on the [1st] of each month. The first month is due before work begins.
- Invoices are due within [7] days. Accepted methods: [methods] . Balances more than [15] days late may incur a fee of [1.5% per month or the maximum allowed by law, whichever is less] , and we may pause work until the account is current.

6 Term and monthly cancellation

There is no long-term contract. One-time projects run until the deliverables are complete and paid. Monthly services continue month to month until either Party gives **30 days' written notice** of cancellation (email to the addresses in Section 1 is enough). Fees for the notice period are due, and we will complete the work planned for that period.

7 Revisions

Each one-time deliverable includes up to [2] rounds of revisions. A round is one consolidated set of feedback from your point of contact. Additional rounds, or changes after final approval, are billed at [$ rate] /hour or quoted in advance. For monthly services, revisions are handled within that month's allowance.

8 Third-party costs

Fees do not include printing and production, website hosting, domain names, paid software, plugins, stock assets, advertising spend, or video production, unless quoted. You will pay these directly to the provider, or we will bill them at cost with your prior approval. We are not responsible for third-party platforms' outages, policy changes, ad approvals, or pricing.

9 Intellectual property and file ownership

Upon **full payment** of all fees for a deliverable, ownership of the final, approved deliverable (including final logo and brand files and website content created for you) transfers to you, and we will deliver the final files. Until full payment, we retain ownership and you may not use the work beyond review. We keep ownership of our pre-existing tools, templates, know-how, and unused concepts. Third-party items (fonts, stock images, plugins, themes) remain subject to their own licenses. Unless you opt out in writing, we may show completed work in our portfolio after it is public.

10 Confidentiality

Each Party will keep the other's non-public business information confidential, use it only to perform this Agreement, and share it only with people who need it for that purpose and are bound to similar duties. This does not cover information that is public, already known, independently developed, or required to be disclosed by law. Logins you share will be used only for your work and you may change them at any time. This section survives the end of the Agreement.

11 No guarantee of results

We will perform the services professionally and in good faith. Because search rankings, platform algorithms, and customer behavior are outside our control, we do not guarantee specific rankings, traffic, leads, or sales.

12 Limitation of liability

To the fullest extent allowed by law, neither Party is liable for indirect, incidental, special, or consequential damages, or lost profits. Sunday Harmony's total liability under this Agreement will not exceed the fees you paid us in the [three (3)] months before the claim. You are responsible for, and will indemnify us against claims arising from, materials you provide and content you approve.

13 Termination

Either Party may end this Agreement with 30 days' written notice, or immediately if the other Party materially breaches it and does not fix the breach within [10] days of written notice. On termination, you pay for work completed and costs incurred through the termination date, and any deposit is applied to that work. Files transfer as described in Section 9 once paid in full.

14 General terms

Governing law: This Agreement is governed by the laws of the State of New Jersey, and any dispute will be heard in the state or federal courts located in [Atlantic] County, New Jersey. **Independent contractor:** we are an independent contractor, not your employee or agent. **Entire agreement:** this Agreement and the Proposal are the complete agreement and replace prior discussions; changes must be in writing and signed (email acceptance counts). **Severability:** if any part is unenforceable, the rest remains in effect. **Signatures:** electronic signatures and counterparts are valid.
