01

Does your business look like one business?

PILLAR · BRAND & STORY

INSTAGRAM + FACEBOOK

FORMAT

Single image · 1080×1350 (4:5)

DESIGN DIRECTION

- Cream background (#F0EBE3), black serif headline (Cormorant Garamond), small gold eyebrow label.
- Optional: a 2×2 grid of muted, desaturated photos (storefront sign, website on phone, business card, Instagram profile) behind a cream overlay to show “patchwork.”
- SH monogram + wordmark top left; sundayharmony.com bottom. Lots of white space.

CAPTION

Your sign says one thing. Your website says another. Your Instagram has a logo from three years ago.

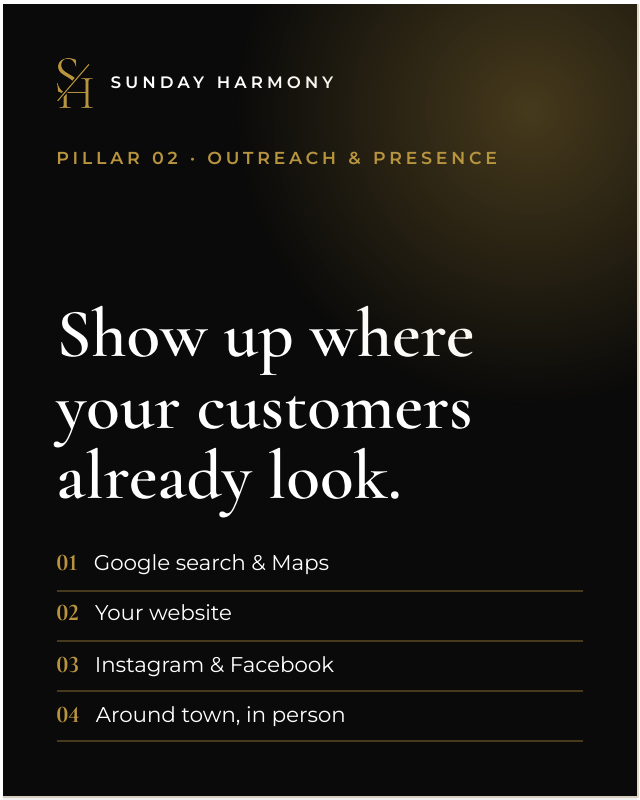

Customers notice, even if they can't say why.

Brand & Story is where we start: who you are, what you stand for, and how you should look and sound, so every touchpoint feels like the same business.

Not sure how consistent you look right now? We'll show you in a free audit. Link in bio.

Show up where customers already look

PILLAR · OUTREACH & PRESENCE

INSTAGRAM + FACEBOOK

FORMAT

Carousel · 3 slides · 1080×1350

DESIGN DIRECTION

- Slide 1 (shown): black background, gold radial glow top right, white serif headline, gold numbered list.
- Slide 2: four simple line icons (map pin, browser, phone, storefront) in gold on black, one short line each.
- Slide 3: “Free audit: see where you show up.” CTA with sundayharmony.com and “Link in bio.”

CAPTION

You don't need to be everywhere. You need to be where your customers already look.

For most South Jersey businesses, that's Google, your website, a social page or two, and out in the community.

Outreach & Presence means showing up in those places consistently and on purpose, without drowning in tactics. Digital and physical, one brand.

Want to know where you're missing customers? Start with a free audit. Link in bio.

A plan you can actually run

PILLAR · STRATEGY & RHYTHM

INSTAGRAM + FACEBOOK

FORMAT

Single image · 1080×1350

DESIGN DIRECTION

- White background with a thin gold rule. Bold black serif headline across three lines.
- Below: a minimal weekly planner graphic (three rows, gold day labels) to suggest rhythm. Keep icons line-only.
- Brand mark top left; no stock photos.

CAPTION

Most owners don't need more marketing ideas. They need a simple plan and a steady rhythm.

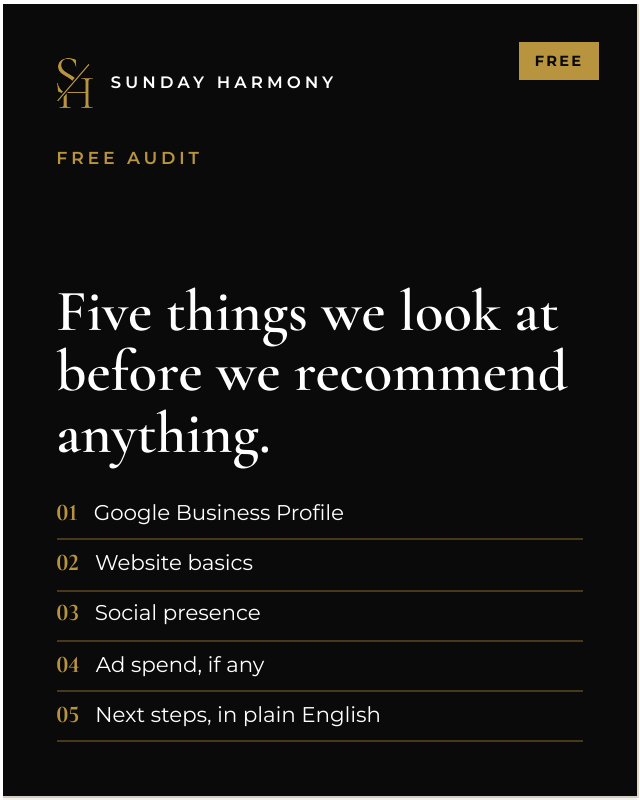

What to say. Where to show up. How to keep it going while you run the business.

That's Strategy & Rhythm: we turn your brand into a plan you can actually follow, then meet with you monthly to see what's working and adjust. Plain English. No jargon.
